

## | Application

• | Smart Home Security Camera

## | Features

- Deep learning based smart engine
- , C 8  
Internal 64MB DDR, support up to 3MP
- Support dual microphone inputs
- . , +, 宜  
Pin to pin compatible to FH8656

## | Specifications

CPU

Master CPU: up to 792MHz

Slave CPU: up to 396MHz

AI Engine

0.5TOPS computation power
